VALUE PROPOSITION

I expect my municipality to provide information and access for my municipal government and meet legislative requirements regarding council operations and access to information in a timely and readily accessible manner.

KEEP IN MIND:

Influencing Factors

Influencing factors can create variances in comparison data from year-to-year and from municipality-to-municipality.

Citizen Engagement

State of interaction with citizens

Complexity

Type and number of Freedom of Information (FOI) requests

Contentious Issues

Prevailing major issues in the municipality

Nature of Requests

Media, special interest groups, individuals and businesses

Organizational Form

Centralized vs. decentralized functions, organizational culture and the training of staff

Policy & Practices

Responsiveness to requests and number of routine disclosure policies

Political Climate

Availability of information from elected officials

Privacy Protection

Growing trend to access and address privacy concerns

Montreal: Due to a decentralized model, when the City of Montreal receives a proper request, it may be forwarded to one or all of their 19 Boroughs, which significantly increases the number of requests, e.g. a request submitted to the City and sent to 7 of 19 Boroughs would count as 8 requests.
