2024 MBNCanada National Forum

November 5, 6 & 7, 2024

Niagara-on-the-Lake, Ontario – White Oaks
Conference Resort and Spa

The Forum provides opportunities to meet and network with colleagues from across the country and participate in MBNCanada's signature event.

The program extends over three days, including a data literacy workshop. You will hear from keynote speakers, as well as informative presentations on a variety of topics related to continuous improvement, performance measurement and benchmarking from participating MBNCanada municipalities.
